

## Gene Haas Foundation Scholarship Application

### **Purpose:**

To build skills in the machining industry by providing scholarships for Tool & Die Machining and Machine Tool Technology students, and to provide students with the experience of collaboration within a team by competing in a competition that highlights design, engineering, and manufacturing with CNC-machined parts as a primary component.

### **Application Requirements:**

- Must be currently enrolled or enrolling in the Tool & Die Machining program or the Machine Tool Technology program.
- Must be in good academic standing (maintain a “B” average).
- Must demonstrate a commitment to pursuing a career in Advanced Manufacturing, CNC Machining or related field.

### **Award:**

The selection of the recipient shall be the responsibility of the instructor and the Financial Aid Office. Awards will be based on application requirements and written essays. The scholarship amount will be used to cover the student’s cost of attendance. This includes tuition and fees, books and supplies, and other educational expenses, such as costs associated with SkillsUSA competitions. All applications are confidential and the property of the Tennessee College of Applied Technology Jackson.

### **Scholarship Duration:**

The Gene Haas Scholarship is a renewable award, contingent upon the availability of funds. Students must reapply to be considered for multiple trimesters.

### **Application Deadline:**

Completed applications must be received at least one (1) week prior to the start of the trimester.
