It is no longer a requirement to take an official practice test before taking the HiSet®, however, you can obtain a voucher for the cost of the test if you qualify by contacting your local Adult Education program. To contact your county representative, see the list below.

To schedule and pay for testing without going through Adult Education go to www.hiset.ets.org

You must have a non-expired government issued photo ID on the day of testing. You will not be allowed to test without this. If you are under 18, you must also have an age waiver form on the day of testing. See your local adult education representative (listed by county below) for more information.
